Job Offer: Senior Software Engineer

Company: InnovateTech Solutions **Location:** San Francisco, CA **Job Type:** Full-time

Job Description: InnovateTech Solutions is seeking a talented and experienced Senior Software Engineer to join our dynamic team. You will be responsible for designing, developing, and deploying high-performance software applications. Our ideal candidate is a hands-on developer with a passion for building scalable and reliable systems.

Responsibilities:

- Lead the design and development of new features and services.
- Write clean, maintainable, and efficient code.
- Participate in code reviews to ensure code quality and knowledge sharing.
- Mentor junior engineers and contribute to a positive team culture.
- Collaborate with product managers and other stakeholders to define project requirements.

Requirements:

- Bachelor's degree in Computer Science or a related field.
- 5+ years of professional software development experience.
- Strong proficiency in Python, Java, or C++.
- Experience with cloud platforms like AWS, Azure, or GCP.
- Familiarity with agile development methodologies.
- Excellent problem-solving and communication skills.

Benefits:

- Competitive salary and equity options.
- Comprehensive health, dental, and vision insurance.
- Flexible work hours and remote work opportunities.
- Generous paid time off and parental leave.
- Professional development and training budget.

Application Deadline: November 30, 2025
